For Immediate Release

William Floyd Board of Education selects new member to serve on the Board

The William Floyd of Board of Education is pleased to announce that it has selected Mr. Robert Guerriero to join their team as a member of the Board of Education.

Mr. Guerriero was selected after interviews were conducted by the Board to fill the vacancy created by the resignation of Ms. Viola English.

Mr. Guerriero is a 26 year resident of the William Floyd community, married with two school age children. He has been self employed for the past 18 years, running a successful not-for-profit company. Mr. Guerriero has been actively involved in the community and schools for many years with involvement in various local civic organizations, and school based programs and groups.

He has been an active participant and member of the school district's Budget Advisory Committee since its inception and has also volunteered and helped the William Floyd Scholarship committee in raising monies for scholarships for our students since it started over 16 years ago.

"I am honored and proud to have been selected to serve on the Board of Education," said Guerriero, "and I look forward to working with the members of the Board to give the best opportunities to our children and representing my community."

Robert Vecchio, President of the William Floyd of Education stated, "We are excited and grateful that Mr. Guerriero has accepted to serve with us on the Board of Education. Bob has been a regular attendee at our board meetings and budget meetings. We know he will be able to hit the ground running and be a strong advocate for our kids and community."

The Board of Education interviewed eight candidates for this position. "We had some great community members come out who were interested in serving, and we appreciate their interest and thank them for coming out and being interviewed by the Board. It's always encouraging to see people who are willing to give of themselves for the interests of others," Vecchio said.

Mr. Guerriero will be appointed and take the oath of office at the next regular meeting of the Board of Education, on Tuesday, October, 11, 2011 at 8:00pm, in the high school library.
