

William Floyd School District

Goals for 2009-12

Approved by the William Floyd Board of Education, September 3, 2009

In order to continue to provide quality, cost-effective programs and services that support the success of all students and address the needs of our community, the William Floyd School District has established the following goals for the period 2009-12.

1. LEADERSHIP AND DISTRICT CULTURE	The William Floyd School District will provide leadership in establishing a climate that empowers others, develops shared-vision, helps shape school culture and climate and understands multi-cultural and ethnic differences.
2. POLICY AND GOVERNANCE	The William Floyd School District will formulate internal and external district policy, define mutual expectations of performance with the Board and demonstrate good school governance to staff, students and the community at large.
3. COMMUNICATIONS AND COMMUNITY RELATIONS	The William Floyd School District will establish and maintain effective, responsive, two-way communications with students, staff, parents, and the community including beneficial relationships with the media.
4. ORGANIZATIONAL MANAGEMENT	The William Floyd School District will allocate resources effectively after a careful analysis of the data and consideration of the needs of internal and external expectations.
5. CURRICULUM PLANNING DEVELOPMENT	The William Floyd School District will provide a continuously challenging and rigorous academic curriculum for all of the students that are current with the latest designs in curriculum, teaching, learning and testing theories.
6. INSTRUCTIONAL LEADERSHIP	The William Floyd School District will ensure that teaching techniques and instructional resources will be used to maximize student achievement; including best practices and research as well as sensitivity to the diversity within the community and District.
7. HUMAN RESOURCES MANAGEMENT	The William Floyd School District will recruit and retain a highly qualified and diverse workforce that meets student needs, and improves the District's ability to reach its goals.
8. VALUES AND ETHICS OF LEADERSHIP	The William Floyd School District will model appropriate value systems, ethics and moral leadership including multicultural and ethnic understanding.
